

GYM Indoor Courts: Camp/Program Protocols

Coaches:

- All Volleydome Coaches will provide proof of vaccination (or be regularly tested) for COVID-19.
- Coaches will be screened daily for COVID-19 Symptoms before entering the court area or interacting with athletes or other coaches.
- Coaches will wash or disinfect hands before entering the court area or collecting equipment for the day. They will rewash or sanitize hands with each new group of athletes if working with multiple groups.
- Coaches will review safety procedures and protocols, including distancing reminders and pointing out hand wash/sanitizing stations at the beginning of each new program.
- Coaches will wear masks, use demos and explanations as much as possible for instruction and will avoid making physical adjustments/contact with athletes unless necessary for safety. Coaches or trainers may enter physical distancing space for brief interactions with participants (for example, to correct form or technique), but will otherwise maintain 3m distance.

Contact Tracing:

- Contact information will be kept for all participants for the course of a program and attendance taken daily.
- Should there be a positive Covid-19 case within a practice group everyone in the group will be contacted with further instructions based on AHS recommendations. If other cases are identified as a result of the first case, practices will be suspended for the group for at least two weeks and made up or refunded in some capacity at the end of the session.

Arrival at Facility:

- Campers/program participants will be asked to arrive no more than 10-15 min before scheduled camp/practice time for check-in. Designated entrance and line-up area will be clearly marked with all signage relating to Volleydome protocols and Alberta Health Guidelines posted in the entrance area. Parents may accompany their child for check-in but may be asked to leave for the duration of the practice/camp depending on current spectator policies which are subject to change without notice.
- All participants/parents should be masked for check-in, and anytime they are not on their designated courts. Masked may be removed once they are on court for practices.
- Staff members/coaches will be available for check-in. They will:
 - require all campers wash hands or use hand sanitizer before entering the courts.
 - check for proof of vaccination or an accepted alternative for all participants 12 years and older (this may also be provided digitally ahead of time and only needs to be shown once for each new program).
 - visually screen for symptoms. No entry if symptoms are present, regardless of whether or not you have been vaccinated or tested for COVID. A symptoms check-list will be sent to all participants in advance of the first practice for reference.
 - at their discretion screen for fever using a temperature sensor, there will be no entry if fever is detected.
 - send campers/participants to designated courts where a spot for personal items will be available beside the courts and attendance will be taken.

During Camp/Practices:

- Bags and personal items should be kept on designated bench areas.
- Hand sanitizer stations will be available throughout the building and should be used anytime players leave the court area (for bathroom use or to fill water bottles). Players may bring personal hand sanitizer if they like.
- Practice groups will be assigned to specific courts and will not visit other courts.
- Players must be masked for building entry, exit, and in common areas. Masks can be removed for play/drills on court.
- Keep 3m distance from other athletes and coaches before, after, and whenever possible throughout the practice.

Exiting the Facility:

- Once the camp/practice has ended athletes will be asked to gather their personal belongings and exit through the marked exit at the back of courts 6 & 7. There is some space to wait indoors on court 7 but please be prompt for pick-up.

Things to Note:

- Players are expected to arrive changed & ready to practice. Change room access will be limited.
- Washrooms are available if needed, but some stalls will be blocked off to allow for physical distancing. Please only use if needed and no hanging out in bathroom areas.
- No open drinks in the facility. Please bring a water bottle with you for personal use only, water fountains will be available only for filling water bottles.
